

## FRAUD WARNING: STATEMENT ON UNAUTHORIZED USE OF COMPANY NAME

It has come to our attention that fraudulent websites (i.e. ifastps.top and ifasts.me) are set up under the name of an iFAST subsidiary, iFAST Financial China Ltd. In addition, there are unauthorized individuals making phone calls to the public in an attempt to obtain personally identifiable information by requesting an email to be sent to [ifastps@gmail.com](mailto:ifastps@gmail.com) in exchange for promotional offers.

iFAST is issuing this statement to declare the operation of both abovementioned website and email address are unauthorized by iFAST, and any personal information submitted through any unofficial channels shall not be protected under iFAST's Personal Information Collection Statement.

If you receive telephone calls or emails you deem suspicious, we recommend that you do not respond to their inquiries, open any attachments, nor click on any hyperlinks. Should you have information regarding a potential fraud attempt, please contact iFAST's Customer Service Department and report the incident to the police force immediately. iFAST will not be responsible for any damages that may result from any member of the public accessing and or using any fraudulent websites
